Crazy Christians

2. God's plan for salvation found in His word requires grace.

II. Crazy Christians magnify the power of man and minimize God's power. vs. 3, 4

1. Magnifying the power of man's unbelief is crazy.
2. God's plans will be achieved even if every man fails to believe.

III. Crazy Christians think more sin is good; if it makes God's grace look greater. vs. 5-8

1. Thinking sin is good because it increases grace is crazy.
2. God's judgment and wrath are just.
