### UNDER CONSTRUCTION

As a result of a generous donation of one of our church families, the Children's Ministry – Kidz of the Kingdom will be transforming in the next few months. You may have already seen some of the groundwork for the remodeling of the Adult and Children's Lobby in the lower Education Building on the West end of our campus. This will begin by switching the Adult and Children's Classrooms on the lower level. The former Lobby area will then be transformed into a themed welcome center resembling a castle courtyard and entry way.

This project will accomplish the following for the Church's Ministry to families.

- Creates a dedicated space that appeals to families with elementary age children who will want to return week after week.
- Creates an excitement for children to invite their friends and families.
- Enhances a uniformed theme for Children's worship and Bible study.
- Increases security for our children.
- Creates an excitement for workers to minister to children.

Look for the grand opening (unveiling) of the new Children's wing in August 2011.

"But the Holy Spirit produces this kind of fruit in our lives: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. There is no law against these things!"  
(Galatians 5:22-23)

Galatians 5 contrasts the fruit of our sinful nature to the fruit of the Spirit. What a difference!
