Faith Building

Exodus 14:30-31

Developing faith that delights God and delivers us from our enemies.

I. Faith is advanced when our focus is on the greatness of God.

The focus of the Jews was now on a supremely sufficient God who commands the elements and eliminates enemies.

1. Faith is defined by Robert Morgan as being fully persuaded that
God has the power to do what He promised. Romans 4:20,21

2. Faith cannot move further than its focus.

Your soul may not be surging because your focus is too finite.

3. Faith is not primarily about your supply rather it is about

God's sufficiency. Luke 17:5,6

II. Experiences that advance our comprehension of the greatness of God
will enhance our faith.

1. The testing of our faith to reveal the faithfulness of God.

1 Peter 1:6-9; James 1:2,3

2. Our meditation on God's word to better understand the perfections

of His character Psalm 119:27

3. Believers testimony of the provisions of God.

4. Seeing the grace of God at work in salvation.

Acts 11:22,23

5. Personal experience of the power of prayer.

6. Seeing fruit from faith that works.

James 2:15-17

7. Experiencing worship that satisfies the soul.
